**1.** In what ways have you embraced God's call to propagate life—through relationships, encouragement, and investing in others?

**2.** How can our church more faithfully contend for life—in the womb and beyond—in practical, everyday ways?

**3.** Who in your life needs to see God's love for life lived out through you this week, and what steps will you take to show it?

**4.** Which sermon point resonates most with your current season, and how can the group pray for you as you lean into it?

**5.** Where do you find yourself indifferent to contending for life, and what would genuine repentance look like for you?
